

Dear Essence Derm Aesthetics Franchisees,

This message serves as a friendly reminder regarding Post-Dated Checks (PDCs) for your monthly royalty fees. As outlined in our franchise agreement, PDCs are required upon grand opening to ensure a smooth financial flow within the network.

We understand there may have been some initial adjustments during your launch phase. However, it's now essential for all franchises to submit their PDCs at your earliest convenience. This ensures timely processing and helps us maintain a strong financial foundation for the entire Essence Derm Aesthetics network.

We appreciate your cooperation and look forward to receiving your PDCs soon. If you have any questions or require clarification on this process, please don't hesitate to reach out to our franchise team at 0960 313 8875 or main.essencefranchising@gmail.com.

Thank you for your continued partnership!

Sincerely,

Jennilyn Quizon Diwa
CEO
